

# HRLF

## HR LEADERSHIP FORUM

A PROFESSIONAL NETWORKING GROUP

# Leadership Perspectives for People Strategy

*How does HR and the Senior Executive Leader partner together on organization culture?*

Join us for a special event that gives successful organizational leaders an opportunity to share their insights and perspectives around working together to inspire real change and organizational transformation. Pairings of HR and Senior Executive Leaders from various industries will be represented on the panel together. Thought provoking practices and strategies will be shared leaving you with ideas to put into practice right away.

## Spring Leadership Luncheon
